TOURNAMENT INFORMATION

- (1) **Mandatory Participation** - All competitors participating in the 2024 Canadian National Championships **MUST** participate at one 2023-2024 Taekwondo Ontario Provincial Selection Games. Athletes unable to participate due to injury must have a physician's note and must still register and attend the weigh-in.
- (2) **Points / Benefits** – Medalists of each 2023-2024 Provincial Selection Game will receive points that will count towards the overall determination of the top ranked Ontario athlete in each division who will represent Team Ontario at the Canadian National Championship, and any training and development initiatives in the coming 2023-2024 season. The points will also be used in the determination and selection of the top ranked Ontario athletes eligible for athlete assistance funding support (i.e. Quest For Gold) from the government.
- (3) **Medical Support** – A medical support team will be on-site to treat injuries. Taping services will be offered at a cost. Additionally, as a requirement of the Province of Ontario's Sport Recognition Policy (SRP) governing Combat Sports, a licensed physician will be on-site during the competition.
- (4) **Field of Play** – Only athletes and competitors with valid accreditation will be allowed onto the field of play.
- (5) **IMPORTANT* Random Weigh-In (Applicable to Senior Competitors)** - Athletes are required to undergo a random weigh-in process on the day of the competition.

Senior athletes will be required to report to the venue one hour prior to the beginning of the competition for random weigh-in. Out of each division, 20% of the Senior athletes who successfully weighed in on the previous day will be selected for random weigh-in (e.g. 4 competitors out of 20 in -80 kg division). Random weigh-in shall be conducted with plus 5% tolerance of the contestant's weight category. Underweight shall not be subjected to random weigh-in. In addition, + weight divisions are exempt from random weigh-in as no weight needs to be cut for this purpose (e.g. M +80 kg and W +67 kg heavyweight divisions).

*For example, an athlete in the -80 kg division can weigh-in up to a maximum of 84.0 kg. A random weigh-in of 84.1 kg would be a disqualification.

Random weigh-in shall be done only once. There will be no second attempt. Any athlete who arrives to random weigh-in late or is a no-show will immediately be disqualified. Random weigh-in shall be finished 30 minutes prior to the start of the competition.
