Who is HUB International HKMB?

HUB International HKMB is the insurance broker responsible for arranging the insurance program for the Taekwondo Ontario and its members. For more information about HUB International, visit www.hubinternational.com.

What type of insurance is provided by the Taekwondo Ontario to its members?

- Commercial Liability Insurance
- Accident Insurance

This insurance is arranged by the Taekwondo Ontario for its registered members and the cost is included in the registration fee paid by each member.

What is the purpose of the General Liability and Accident Insurance Coverage?

The primary purpose of the General Liability policy is to protect against lawsuits from individuals alleging that the sports organization and/or its members have negligently caused bodily injury to a player or spectator. The policy also covers other types of lawsuits such as property damage, personal injury (libel and slander) and Non Owned Automobile liability. The policy does not cover expenses related to criminal charges brought against a member of the association regardless of the nature of the charge(s).

The Accident Policy is designed to reimburse a member in good standing who suffers a covered injury/ death while participating in an Taekwondo Ontario Sanctioned Activity. The Accident Policy is designed to provide coverage to those members who do not have access to another health insurance plan or to supplement existing health insurances.

Who is considered an “insured” under the General Liability policy?

Coverage is provided for the association itself and members registered in good standing with the Taekwondo Ontario, but only while participating in activities sanctioned by the Taekwondo Ontario. Members are required to sign a Participant Waiver as part of the registration process for coverage to be applicable.

Also considered “insureds” under the liability program are coaches, managers, officials, administrators and volunteer workers, but only for acts within the scope of duties performed on behalf of the Taekwondo Ontario

The limit of liability for the association is \$5,000,000

What activities are covered?

Coverage is provided for all Taekwondo Ontario sanctioned activities. See page three (3) for a list of sanctioned Taekwondo Ontario activities. ALL sanctioning decisions are made by Taekwondo Ontario.

Is my Studio/Dojo Insured under the General Liability Policy?

Yes. Premises Liability is included in this policy and registered members may request a certificate of insurance naming the landlord as additional insured. The policy only covers premises liability from sanctioned Taekwondo Ontario activities

Does this insurance program cover my Studio/Dojo contents such as mats, gear, equipment, clothing and from perils such as fire, theft, water damage etc?

No. You must purchase your own business contents insurance through your local brokerage.

Are Club / League fundraisers covered under the General Liability Policy?

Yes, but only those activities sanctioned and approved by the Taekwondo Ontario.

Our club has been asked to provide Proof of Insurance or a Certificate of Insurance. What is the process for obtaining this document?

Step 1:

Complete a Certificate of Insurance Request Form.

Step 2:

Upon completion, forward to ed@taekwondo-ontario.com for approval and issuance of the Certificate.

Step 3:

Taekwondo Ontario will e-mail the Certificate of Insurance back to the Club Contact Person listed on the form. If possible, provide the contact name and email for the facility or school board that is to be named on the Certificate so that a copy of the Certificate of Insurance can be sent directly to the contact as well as the club.

Step 4:

Ensure that the certificate issuance program, "CertExchange", is white listed in your email program so that your Certificate is not sent to your Junk mail folder or blocked by your email security.

IMPORTANT NOTE: INSURANCE CERTIFICATES WILL NOT BE ISSUED TO CLUBS WHO HAVE BEEN SUSPENDED OR HAVE OUTSTANDING FEES.

Is a parent covered if they are driving his or her own children to an event?

No. The program does not provide coverage for parents driving their children to the game/practice because they are, in that circumstance, exercising their parental responsibility not a team duty.

However, coverage is in place for volunteers of the association while performing volunteer duties. Therefore, parents associated with a team or performing a specific duty assigned by the team (coach, assistant coach, or other authority) do have insurance coverage under this program.

Taekwondo Camps/Training Camps/Tournaments

Are camps and other taekwondo related events covered under the Taekwondo Ontario Insurance Policy?

Camps and other Taekwondo related events are covered when they meet the specific requirements indicated below:

- The organization running the camp/event must be a registered organization in good standing with the Taekwondo Ontario.**
 - If not, the camp/event and those participating in will not be covered under the Taekwondo Ontario policy.
- All participants in the camp/event must be registered with the Taekwondo Ontario.**
 - Players that are not registered will not have coverage, jeopardizing the insurance coverage of the organizing club should something happen to the non-registered player.
- The Taekwondo Ontario Policy does not extend to camps/events operated outside of Taekwondo Ontario jurisdiction.**
 - Camps/events must be operated by a club or other member group in good standing with the Taekwondo Ontario.
 - If a volunteer or coach of a club is running a camp/event, the club must sanction the camp/event in order for it to be covered under the Taekwondo Ontario Policy. It is strongly recommended that before running a camp/event, the coach or volunteer get written confirmation from the club that the camp/event is approved.
- Only taekwondo related activities are covered for camps.**
 - Neither the participants nor the organizing club would be covered under the Taekwondo Ontario policy for non-taekwondo related activities at the camp/event including, but not limited to, overnight stays and other sporting activities. The club is responsible for purchasing additional insurance for non-taekwondo related activities at their camp/event.
 - Instructors at camps/events are covered when instructing/participating in taekwondo related activities at the camp/event. **EXCEPTION:** Professional instructors, ie., instructors who derive the majority of their salary from instructing taekwondo, are not covered under the Taekwondo Ontario policy.
